Once upon a time there lived a boy named John he had dream about being a football player as a kid.

When he was 15 he was a champion  
and he won many trophies and  
medals.

When he was practicing for proving the world that he is a world champion, he saw an UFO and he was kidnapped by aliens .

Fortunately the alien knew English and that alien was very kind. The alien said “Hi, I am Tim. I am going to put up tests on you. Are you ready? ”Then John said “No, please let me go as I don’t want to ruin my dream for some tests”.

The Tim said “what's your dream?” then John said “being a football player. Come on! I will show you.” John taught Tim football. After a year, Tim got a message that if he wouldn't come back, he will be turned into a human. Tim struggled a lot. After a while John saw Tim crying .Tim said he was very proud of John .They both were in team and won trophies .
